	Hall 1	Hall 2	Hall 3	Hall 4	Hall 5
09:00 - 10:00	Opening Ceremony & Plenary 1: Climate Change and Microbial Life				
10:00 - 11:30	VIR Workshop Session 1: Virus Discovery and Virome Studies	VIR Workshop Session 2: Antiviral Immunity	BAM Workshop Session 2: Host-Pathogen Interactions	BAM Workshop Session 5: Plant-microbe interactions	MEM Workshop Session 3: Importance of Data Management for Sustainable Futures (COMCOF)
11:30 - 12:00	<i>Coffee Break</i>				
12:00 - 13:30	Bridging Session 1: Microbiomes and Viromes in the Anthropocene				
13:30 - 15:00	(13:45-14:45) Industry Sponsored Session (Not included in main event CME/CPD Accreditation)	<i>Lunch Break & E-Poster Viewing in the Exhibition Area</i>			
15:00 - 16:30	VIR Workshop Session 6: Mechanisms of Replication and Assembly	VIR Workshop Session 7: Virus Evolution and Emergence	BAM Workshop Session 8: Microbial Communities and Microbiomes	BAM Workshop Session 9: Human Microbiome and Health	MEM Workshop Session 10: Food Mycology/Taxonomy Penicillium and Aspergillus
16:30 - 18:00	Bridging Session 2: Innate Immunity as a First Line against Viruses, Bacteria and Fungi				
18:00 - 19:30	VIR Workshop Session 11: Pathogenesis of Viral Diseases	VIR Workshop Session 12: Novel Approaches to Virus Control	BAM Workshop Session 13: Frontiers in Bacterial Structural Biology	BAM Workshop Session 14: Antimicrobials and Antimicrobial Resistance	MEM Workshop Session 15: Oomycetes as Biocontrol Agents and Parasites
19:30 - 20:30	Welcome Reception				

Day 2 - Thursday, July 21, 2022					
	Hall 1	Hall 2	Hall 3	Hall 4	Hall 5
09:00 - 10:00	Plenary Session 2: Complex Systems, Disturbances and Disruption				
10:00 - 11:30	VIR Workshop Session 16: Sex Differences in Virus Host Interaction	VIR Workshop Session 17: Determinants of Host Range	BAM Workshop Session 18: Microbial Evolution and Diversity	BAM Workshop Session 19: New Insights into Phage Bacteria Interactions	MEM Workshop Session 20: Advanced Life Cell Imaging
11:30 - 12:00	<i>Coffee Break</i>				
12:00-13:30	Bridging Session 3: Return after a period of absence: Dormancy, Persistence and Relapse				
13:30-15:00	(13:45-14:45) Industry Sponsored Session (Not included in main event CME/CPD Accreditation)	<i>Lunch Break & E-Poster Viewing in the Exhibition Area</i>			
15:00-16:30	VIR Workshop Session 21: Virus Dynamics in Reservoir Hosts	VIR Workshop Session 22: Antiviral Drug Resistance and Immune Evasion	BAM Workshop Session 23: Microbial Biotechnology and Applied Microbiology	BAM Workshop Session 24: Extremophiles and Archaea	MEM Workshop Session 25: Mycoviruses
16:30-18:00	Bridging Session 4: The development of resistance: host-pathogen arms race				

18:00-19:00	<u>Panel discussion</u> (details to follow)	
19:00-20:30	Poster Discussions Happy Hour	

Day 3 - Friday, July 22, 2022
